## The property

Colwood Park is a magnificent country house that offers more than 9,800 square feet of impressive accommodation arranged over three floors. The property displays a wealth of beautiful period features, with high ceilings, wooden parquet flooring and tall cast stone windows, alongside stylish modern décor and fittings of the highest bespoke quality. The ground floor has four splendid reception rooms for entertaining or relaxing, including the well-proportioned drawing room, the 32ft games room and the comfortable sitting room. There is a beautifully presented study and, in the cellar, a fully equipped cinema room. The 37ft Smallbone kitchen and dining area is an excellent social space with three sets of French doors providing plenty of natural light. The kitchen has an Aga and two central islands, along with space for a large dining table.

Also on the ground floor is the self contained annexe, with its open-plan sitting area and kitchen and its own staircase to the first-floor accommodation. Across the first and second floors there are 7 bedrooms. These include a luxury principal bedroom with its own balcony, a large dressing room with fitted storage and an opulent en suite bathroom. Three family sized bathrooms service the remaining bedrooms. Beyond the bedrooms on the second floor is an ideal children's area with a sitting room and selection of hobby rooms. The property also has the benefit of a self-contained flat above the garaging block, providing ideal accommodation for guests or family members. The flat includes a spacious L-shaped sitting area, dining area and kitchen, two bedrooms both with doors to an en suite bathroom, and a further shower room.

## Outside

The house is set in manicured gardens and grounds, including rolling lawns and immaculate landscaping. There are security gates at the entrance, with the gravel driveway leading to a large open parking area at the side of the house and access to the detached garaging block, which has parking for up to four vehicles. The garden offers an expansive area of paved terracing, a heated swimming pool with its own sun terrace and timber-framed pool house and far-reaching lawns with hedgerow, shrubs and a variety of mature specimen trees. In all the grounds extend to 10.21 acres with stabling, paddock and woodland.
