

Housing Delivery Test 2020 | Buckinghamshire

January 2021

The following provides latest available HDT figures. The scoring has been adjusted by the Government with a reduction to the number of "total number of homes required" within the 2019-2020 year by 1 month. These figures account for temporary disruption to Local Planning Authority services and construction sector following national lockdown announced 23 March 2020.

Housing Delivery Test: 2020 Measurement – Percentages Indicate total number of homes delivered against homes required (2017 – 2020).
