The property

Manor Farm House is an attractive, valuably unlisted former farmhouse in a beautiful rural setting surrounded by open countryside, and yet close to excellent amenities and highly regarded schools.

The house provides comfortable, well laid-out accommodation with well proportioned rooms and large windows creating plenty of natural light. There are a number of reception rooms, including a charming cosy sitting room with an open fireplace, and a spacious, dual aspect drawing room with an open fireplace and lovely views across the gardens. There is also a formal dining room which conveniently leads through to the large farmhouse kitchen/breakfast room. The kitchen is fitted with a range of wooden cabinets, a central island and an Aga range cooker, with plenty of space for a dining table. In addition there is an office/snug, family room, utility room and cloakroom on the ground floor. Upstairs there are four double bedrooms, including the principal bedroom with an en suite dressing room and bathroom. There are also two family bathrooms.

In addition to the main house there is a substantial detached annexe providing excellent additional accommodation comprising a sitting room, kitchen, bedroom and bathroom. This space is ideal as overflow accommodation for guests, or would make a fantastic office or gym.

Outside

The house sits comfortably in the middle of its grounds which extend to approximately 4.45 acres. The gardens are mainly laid to lawn interspersed with mature hedges, trees and shrubs, and a beautiful beech hedge surrounds the main formal garden area surrounding the house.

The property is approached from the village lane across a gravelled driveway and there is parking for a number of cars beside the double open-bay carport. There are useful garden stores to either side of the carport.
