The property

One of six cottages in this peaceful rural setting, this newly renovated property features four bedrooms and a sunny garden with stunning views. Its character is evident from the outset, with traditional brickwork, tiled roof, and a covered entrance porch sheltering the main door. Inside, the door opens into a welcoming and well-proportioned reception hall with a front-facing window, a cloakroom, and stairs rising to the first floor.

Adjacent to the hall is the sitting room, which features a side-facing window. The main living space lies to the rear of the property, where a spacious L-shaped kitchen/dining/family room forms the heart of the home. This well-planned room offers areas for informal seating near French doors opening to the side, a dining area with dual-aspect views and a skylight for additional natural light, and a newly fitted kitchen with French doors leading out to the south-facing rear terrace. The kitchen, complete with a central island and breakfast bar, includes a Belling range cooker and

sleek, contemporary units that lend a clean, elegant finish. An adjacent utility room offers space for appliances along with additional storage.

On the first floor, there are four well-proportioned bedrooms, including a spacious principal bedroom that enjoys views over the rear garden and the open paddock land beyond. This room also benefits from a stylish en suite shower room. The remaining bedrooms are served by a well-appointed family bathroom, completing the accommodation on this level.

Outside

The property is approached from the road via the wide, gravelled driveway and parking area adjacent to a level lawn. A young laurel hedge is on one side and a mature mixed hedge to the other, while recently planted herbaceous beds to the front of the property add colour and interest. The wide gravelled path leads alongside the property to the rear garden, with a large south-facing terrace that provides an outdoor entertaining area adjacent to the kitchen, and a lawn that extends towards the large, maturing herbaceous bed full of colour and variety, with trees that frame the view south over the field and copse beyond the garden fence.
