Set within beautifully maintained gardens and enjoying views across the surrounding South Downs countryside, the property offers five bedrooms and spacious, light-filled accommodation with understated styling and high-quality fittings throughout.

The ground floor has three welcoming reception rooms, including the generous dual-aspect sitting room with flagstone flooring, fireplace with log burning stove and bi-fold doors opening onto the gardens. The study has bespoke Neville Johnson built-in storage and desk and the formal dining room features wooden flooring and a galleried landing above, enhancing the sense of space and light. At the heart of the home is the impressive 30ft kitchen/breakfast room, incorporating a sitting and dining area with fireplace and woodburning stove. The well-equipped kitchen boasts bespoke shaker-style cabinetry from Farnham Kitchens, a central island, integrated appliances, stylish Quartz worktops and an Aga, while bi-fold doors open onto a beautiful covered outdoor dining terrace.

One bedroom is located on the ground floor and could be used as a snug or playroom. Upstairs there are four further bedrooms including the luxurious principal suite with vaulted ceiling, full height gable end window, balcony overlooking the gardens and countryside beyond, dressing room and en suite bathroom with freestanding bath and walk-in shower. The remaining bedrooms all benefit from built-in storage and are served by a family shower
