It is divided into a sitting area and a dining area, with ornate cornice ceilings, and Amtico parquet style flooring that continues throughout the ground floor. There is a useful home study and a well-equipped kitchen with shaker-style units by Smallbone and integrated appliances, as well as a skylight overhead and French doors to the rear garden. Adjoining the kitchen in an open-plan layout is the family area with French doors also opening onto the rear garden. Both kitchen and family area benefit from underfloor heating.

Upstairs there are three comfortable double bedrooms, two of which have built-in storage. There is also a four piece family bathroom including a separate walk-in shower, heated towel rail and underfloor heating.

Outside

At the front of the property there is a well-presented garden with a variety of shrubs and wisteria climbing the front of the house with flood lighting. There is parking on the forecourt at the front together with a single garage that provides access to the rear garden.

At the rear, the garden includes a patio area for al fresco dining and a well-maintained lawn with established border shrubs and garden lighting.
