The property

Rosemary Cottage is a delightful property set in beautiful gardens. Dating back to the early 1900s the property has been thoughtfully renovated and extended.

The house is situated in a semi rural location with easy access to the village of Chapel Row and its amenities. Well maintained, mature gardens wrap around the house on all sides creating a sense of seclusion whilst being close to the village. The house provides comfortable, well laid-out accommodation with well proportioned rooms and large windows affording plenty of natural light. Downstairs there are three sizeable reception rooms one of which is triple aspect, showering the room with natural light. The kitchen/ breakfast room is large and modern with Shaker style cupboards and an Aga; bi-fold doors open up into an expansive terraced area.

Upstairs all five bedrooms are generous in size and are light and airy. The principal bedroom enjoys a Jack and Jill bathroom that links to bedroom 5 and has extensive fitted wardrobes. Two further bedrooms have easy access to another two bathrooms and the bedroom on the ground floor has an en suite shower. Additionally there is a garage, a large lightfilled studio room and a games room extension, linking to the main house.

Outside

Access is via a gated entrance and sweeping gravel driveway. The house sits comfortably in almost half an acre. The gardens are charming, with several mature trees and box hedging edging mature flower borders. An attractive paved terrace runs along the back of the house and can be accessed from both the kitchen and the drawing room, making it ideal for entertaining and relaxing.
