The property

Old Vicarage offers a total internal area of 7,280 sq. ft of light-filled, flexible accommodation arranged predominantly over two floors of the main house. The current owners have fully refurbished the property during their tenure and added a magnificent orangery. The whole has been configured to provide an elegant and practical, living and entertaining environment.

The main entrance opens into a grand entrance hall with galleried landing above and leads to the ground floor accommodation. To the left is an impressive dining room that is the perfect space for hosting dinner parties, and for a more formal dining setting with its full-height side-aspect bay window and an abundance of space for a generous dining table. A set of French double doors continue through to the comfortable sitting room with feature fireplace, an ideal room to relax and unwind in, whilst being bathed in the warm southerly light from the two large sash windows. A further set of double doors with modern stained glass windows lead to the spectacular orangery with large, vaulted skylight and picture

glazing that floods the room with plenty of natural daylight and affords views across the beautiful surrounding garden. Two sets of bi-fold doors open out to the paved terrace areas.

Back across the entrance hall is the drawing room with a dual aspect and feature fireplace, it exudes a quiet elegance and is an ideal haven in which to withdraw after dinner and entertain. The country style kitchen/breakfast room has a range of Shaker-style wall and base units and a large central island with complementary worktops, a quarry tiled floor and an Aga. The breakfast area has ample space for a family dining table for a less formal dining experience. The breakfast area opens into a side boot room with garden access and a useful, neighbouring fitted utility room provides additional space for storage and appliances provides access to the rear terrace. Completing the ground floor access via the rear hall is a cloakroom and boiler room that has a concealed staircase which descends to a generous cellarage, suitable for storage or for converting to a wine cellar and tasting room.

Stairs rise from both halls to interconnecting first-floor landings with the front hall landing featuring an opaque skylight. The substantial principal bedroom has fitted cabinetry and a spectacular en suite bathroom with twin sinks, a central freestanding claw bath, and a separate walk-in shower enclosure. There are three further double bedrooms with either en suite bathrooms or shower rooms and a smaller bedroom appropriate as a nursery or home study.

The latter has a door to the coach house, which provides a hallway with a separate entrance door, a shower room and a door to the studio with double doors out to the courtyard. Stairs rise to three inter-connecting first floor rooms, two currently used as an office and games rooms, Velux glazing in both providing plenty of natural light. The coach house has the potential to be converted into a self-contained annexe subject to the necessary planning consents which would be ideal for multi-generational living or for those with a dependant relative.

The well-maintained part-walled garden surrounding the property is laid mainly to areas of lawn with a large vegetable garden with raised beds.
