The property

Mullions is a charming attached property which dates from the 1920s. Built of stone, the property is full of character and has attractive mullioned windows. Approached off Church Street, a short path leads to the front door which opens into the hall with WC and door to the cellar/store room with boiler and quarry tiled floor. Off the hall is the large sitting room with wood burning stove and parquet floor. A door from the hall leads into the kitchen/dining room which is fully fitted and has a door to outside. From the hall stairs rise to the first floor landing off which there are two double bedrooms, one with an en suite shower room, and the family bathroom.

Outside

Mullions has a small, mainly lawned garden contained within a dry stone wall. Adjacent is a parking space for off road parking in front of the large stone built garage which also incorporates a useful utility room/store with mezzanine floor. This building has had planning permission to create a studio which has now lapsed. There is also a terrace approached from the back door.

Planning: Prospective purchasers are advised that they should make their own enquiries of the local planning authority
