The property

Downholme is an attractive Dunhouse quarry stone and brick modern family home offering more than 3,100 sq. ft of light-filled flexible accommodation in the main house, arranged over two floors. In the current owner's tenure for 47 years, the property is configured to provide an ideal family and entertaining space with large picture glazing maximising the stunning views. The accommodation flows from a welcoming reception hall with useful storage with crystal cut glass doors and a separate cloakroom. It comprises a large dual aspect sitting room with feature fireplace and a generous dining room with double doors to a further well-proportioned reception room. The ground floor accommodation benefits from underfloor heating and is completed by a spacious kitchen/dining room with a range of bespoke Canadian Oak wall and base units including a bespoke lollipop island, complementary granite worktops and splashbacks, range cooker, modern integrated appliances and a door to a fitted utility room with wood-lined sauna and a door to the garden. The

kitchen opens into a dining area with space for a good-sized table and double doors to a generous dual aspect family room.

On the first floor the property provides a spacious principal bedroom and a generous additional double bedroom, both with fitted storage and en suite bathroom. There are also two further well-proportioned bedrooms, one with basin and cabinet and fitted dressing area and a second with fitted wardrobes. Also a family bathroom with cast iron bath.

Outside

The property is approached via twin stone pillars and double wrought-iron electric gates, leading onto a tarmac driveway that provides private parking for numerous vehicles. The drive continues through a second set of double gates to a rear courtyard, giving access to an attached double garage with electric doors, gardener's WC, storage and stables, and also the detached annexe.

The two-bedroom bungalow annexe includes an entrance hall with cloakroom, a living room with an electric fire, a fitted kitchen with built in fridge/freezer, dishwasher, washing machine and dryer and two bedrooms, both with dressing rooms and en suite shower room.

Across the courtyard, a second outbuilding houses an additional store and a goat house. There is also a useful pony shelter.

The well-maintained formal wraparound garden is laid mainly to lawn bordered by mature topiary and hedging and enjoying pear, apple and plum trees. The garden also features a summer house with electric and lighting, constructed from Norwegian Spruce with balcony overlooking a raised pond and several decked and paved seating and dining areas, all ideal for entertaining, al fresco dining and enjoying the open countryside views towards the Cleveland Hills.
