Harpenden, Hertfordshire

Strutt
& Parker

Land and property. Since 1885.

A beautifully renovated Victorian home, offering exceptional contemporary interiors in one of Harpenden's most desirable settings.

Thoughtfully redesigned, this elegant Victorian townhouse combines character with refined contemporary design. Part of a terrace, the accommodation is arranged over three floors and offers charming period features including sash windows and an original fireplace, complemented by engineered wood flooring, stylish contemporary lighting and excellent practical spaces throughout.

Designed to create an immediate impression, the open-plan reception room is divided into two versatile living areas. A bay window, mirrored wall and glazed internal window enhance the sense of light, while an original fireplace and fitted cabinetry provide a striking focal point. Beyond, a utility, cloakroom and storage room lead to the exceptional kitchen/dining room. Flooded with natural light by extensive roof glazing, this impressive space features sleek gloss cabinetry, a central island and a range of integrated appliances. Bifold doors open onto the terrace, while the room flows seamlessly into a bright conservatory with French doors to the garden.

The bedrooms are accessed via a striking staircase with glass balustrading. The first floor hosts a beautifully appointed principal bedroom with fitted storage, a further bedroom and a stylish bath/shower room. An attractive double bedroom occupies the second floor.

The property forms part of a charming Victorian terrace, with a landscaped front garden providing a pleasant spot from which to enjoy the outlook.

To the rear, the south-facing garden is fully enclosed by characterful brick walls and fencing, creating a private outdoor retreat. Thoughtfully landscaped, it includes a paved terrace for al fresco dining, a lawn and raised planting beds. An attractive outbuilding offers useful utility and storage space. A timber arched rear gate, set beautifully within the original brick walling, adds considerable character and provides access to the paved driveway beyond.
