The property

This is a stunning residence, beautifully presented with an amazing kitchen/conservatory, offering a modern family home in the heart of Windsor. It is equally suited to both family living and entertaining and its flexibility, specification and position will suit a number of buyers, including those seeking convenient commuting options.

The ground floor accommodation is arranged around a welcoming reception hall and includes a sitting room with a gas fireplace and bay window, a study (also with a bay window and gas fireplace) and an adjoining games room/playroom that overlooks the kitchen/dining room. The kitchen is not only open-plan to the dining area and the conservatory, but also features a wall of bi-folding doors opening out to the rear sun terrace and garden, thereby providing exceptional space for family living and entertaining. On sunny days, and due to

the south-easterly aspect, the kitchen and conservatory enjoy sunlight all day long. Limestone tiles extend throughout this entire area; the kitchen is fitted with a bespoke range of Tom Howley units, a large central island and integrated appliances. There is also a pantry and just off the kitchen, is a utility room with its own outside access. A guest WC, along with access to the cellar, completes the arrangement on this floor.

Upstairs, there is a principal bedroom with a walk-in wardrobe and an en suite shower room, a guest bedroom with an en suite shower room, three further bedrooms and a family bathroom. All bathrooms are Porcelanosa, all bedrooms have high quality fitted wardrobes.

Outside

At the front of the house is a traditionally tiled pathway that leads to a gothic style front door, creating an impressive entrance. This garden is enclosed by a low retaining wall topped by picket fencing whilst to the rear, a lovely family-friendly garden has been created, laid mainly to lawn and surrounded by mature hedging and small trees.

The rear of the house opens out to a large sun terrace which is perfect for entertaining. The garden incorporating approximately 85 ft laid to lawn, also has side access to the front garden, as well as access to one rear parking space which has the potential to fit two small cars if needed. Two residents parking permits are available for Frances Road.
