The property

Spring Cottage is a much-loved village home, offering well-proportioned and versatile accommodation ideally suited for modern family life. Set at the end of a quiet, no-through lane with a gravelled driveway, the property enjoys privacy and tranquillity, while being within each reach of Cirencester.

The ground floor comprises of an entrance hallway, cloakroom, kitchen into open-plan dining room, and a sitting room. The layout flows naturally, creating excellent entertaining space and day-to-day comfort. The open-plan kitchen and dining room is ideal for family life, while the sitting room offers a warm and inviting place to relax.

To the first floor there is the principal bedroom with en suite set off a large landing / home office space, two further guest bedrooms and a family bathroom. The second floor offers two further bedrooms, one currently being utilised as a home office and the other as a studio, both of which are comfortable and

generous in size. The room currently used as an office has underfloor plumbing in preparation for the possible future conversion to an en-suite if a future buyer wanted to utilise the second floor as a principal suite or guest accommodation.

Outside

To the rear, the garden is both private and enclosed, mainly laid to lawn and bordered by an array of herbaceous plants and mature trees. A generous patio provides the perfect setting for summer dining and entertaining.

The ancillary accommodation, added to the property in 2014, is a light and spacious detached summer house and workshop, offering superb flexibility as a creative space, gym, home office or annex (subject to the necessary planning consents).

The gravelled driveway provides parking for two large vehicles, and includes an electric car charger.
