The property

Oak Tree Cottage is a handsome period family home offering light-filled, flexible accommodation arranged over two floors, sensitively combining modern amenities with character features including casement glazing, wooden and quarry-tiled flooring and an original fireplace.

Configured to provide an ideal family and entertaining space, the accommodation flows from a welcoming reception hall with useful storage and family shower room. It gives access to a sitting room with feature exposed brick fireplace with woodburner, flanked on each side by bespoke storage, and a door to the terrace, a family room with built-in shelving, and a good sized study. Further is a wooden-floored dining room with walk-in larder and French doors to the terrace. A door from the dining room opens to a kitchen with a range of modern wall and base units, a breakfast area with space for a good-sized table and French doors to the terrace, and a useful neighbouring fitted utility room with doors to both front and side aspects.

On the first floor the property provides a principal bedroom with built-in storage and an en suite bathroom with bath and separate shower, four further bedrooms and a modern family shower room.

Outside

Having plenty of kerb appeal, the property is approached over a low-maintenance gravelled driveway providing private parking and giving access to a detached double garage. The generous enclosed rear garden is laid mainly to gently-sloping lawn bordered by mature flowerbeds, shrubs and trees and features numerous seating areas, a summer house with raised decked verandah, and a vegetable garden with raised beds. A generous wraparound paved terrace accessible from the sitting, dining and kitchen/breakfast rooms, offers an ideal spot for entertaining and al fresco dining, enjoying far-reaching views over the rolling countryside of the North Wessex Downs.
