The property

2 Triangle Cottage is a delightful property, in the heart of Kings Somborne it holds a beautiful position within the village and benefits from mature gardens.

The current owners have undertaken a schedule of works to improve the cottage inside and out, including removing cement and replacing with traditional lime plaster, re-wiring the kitchen and a new consumer unit, and the replacement of the boiler.

The home is approached through a picturesque front garden, with a characterful wooden front door opening into the dining hall. An impressive inglenook fireplace with a log burner has been positioned to create a welcoming entrance, whatever the weather. This room in turn leads to both the kitchen and the sitting room. The sitting room is of particular note with a picture window overlooking the front garden, and a beautiful, brick feature fireplace with a further log burner making this a splendid place to relax. The kitchen has been refurbished with freestanding units and space for a large fridge/freezer and dishwasher. The large Belfast sink overlooks the rear garden and there is ample

storage and countertop space. There is also a utility room with space for a washing machine and Tumble dryer.

To the first floor are two good double bedrooms, a single bedroom/study and a family bathroom. There is a useful cupboard in bedroom two and the loft is accessible from the third bedroom via ladder and is half boarded for further storage. The current owners have sought planning permission to create a third bedroom/study to the first floor which has utilised the space beautifully and created a really bright and versatile space.

Outside

To the front of the home is a very pretty, enclosed garden with mature shrubs and plants, lavender and other country garden varieties make this a welcoming entrance. Parking for two vehicles can be found on the private driveway and accessed via gate into the front garden. The rear garden has a lovely patio abutting the house then leads on to a lawn and a very useful shed.
