The property

This generous development plot provides the potential for the creation of a large family residence, within a delightful rural setting with views across the beautiful surrounding countryside. The plot extends to approximately 1.86 of an acre with the proposed plans specifying a generous detached home of more than 4,000 square feet.

The house itself will sit on and overlap the footprint of the current barn, featuring handsome, traditional styling outside with red brick, tall chimney stacks and other attractive design features, while inside the home there is scope to implement the buyer's own interior design preferences. The proposed layout includes a central entrance hall with a staircase leading to a galleried landing above and double doors leading to the main, open-plan living and entertaining area. The 37ft kitchen, breakfast room and family room and the adjoining south-facing, conservatory-style dining room will offer an airy and inviting reception area for everyday living, including a generous, social kitchen area with a central island. The dining room is proposed

to feature a ceiling lantern skylight and four sets of French doors opening to the garden and affording views across the surrounding fields. Adjoining the kitchen, the walk-in pantry and utility room will provide further space for home storage and appliances.

Additional ground-floor living space will include a separate, peaceful sitting room with a fireplace and a private office for home working, as well as a boot room and a plant room.

Upstairs, the impressive galleried landing will lead to four double bedrooms of similar proportions, each set in its own corner of the property and benefiting from a dual aspect with far-reaching views. The principal bedroom is proposed to feature its own dressing room with built-in wardrobes, as well as a large, luxury en suite bathroom. Two additional bedrooms will have en suite shower rooms, while there will also be a family bathroom.

Outside

The plot will have its own, newly created access driveway directly from the road, leading to the house and to the proposed detached double garage block, which will have plenty of parking space in front. The garden will feature paved patio and pathways around the house, including a south-facing terrace accessed from the dining room, on which to dine al fresco.

The generous plot also provides the potential for landscaping. There is garden land to the rear of the house, with a paddock area beyond.

Location

The plot occupies a picturesque rural position just outside the charming and sought-after village of Winterslow. The village has a convenience store, a post office, a village hall, a doctor's surgery, public house and a primary school, with Salt Deli and Kitchen located off the A30 at Firsdaown. Additional local amenities can be found in the nearby villages of Pitton and Alderbury.
