The property

17 Lodge Hill Road is a beautifully appointed detached family home, set on a leafy residential street and within easy reach of the village's amenities and outstanding schooling. The welcoming reception hall leads to the two main reception rooms on the ground floor, which include the dual aspect sitting room with its bay window to the front and fireplace fitted with a woodburning stove. There is also a useful study, while towards the rear, the large, open-plan kitchen and dining room spans the width of the house and opens onto the garden via French doors. The kitchen has granite worktops and backsplash, with a large pull-out larder and an integrated Bosch fridge and dishwasher. There is also a range cooker with an electric double oven, a gas hob, a built-in combi microwave and an extractor hood. The room provides space for a dining table and enjoys a triple aspect, which welcomes plenty of natural light, including via the patio doors. Adjoining the kitchen, the utility room provides further space for home storage and appliances. On the first floor, the four well-presented bedrooms include the generous principal bedroom with its built-in

wardrobes and beautiful views towards the Bourne Woods. The principal bedroom also has an en suite shower room with Travertine tiling and Duravit fittings, which include a double shower and a heated towel rail. The three further bedrooms are all doubles, (two with fitted wardrobes) while the first floor also has a family bathroom, also with Travertine tiling and Duravit fittings, including a bathtub and a separate shower.

Outside

The entrance for vehicles is at the rear of the property, off School Lane, where there is a shared (with one other house) gravel driveway leading to private parking for two vehicles, and access to the detached, timber-clad garage, which has 2 thermal panels mounted to its pitched roof. The garden is located at the front and side of the house and features a sunny south and west-facing aspect. It includes a patio area for al fresco dining, as well as an area of lawn. Garden storage is available in the timber-framed shed. The garden is enclosed by timber fencing with mature trees providing shade and a sense of privacy.
