**A five-bedroom family home with delightful gardens, situated in the sought-after suburb of Harnham, within easy reach of Salisbury's historic city centre**

Coming to the market for the first time in over 50 years, 24 Lower Street is a wonderful and well-presented, detached home offering five bedrooms and light, airy accommodation throughout. Situated in a sought-after residential setting, on the level, to the south of Salisbury city centre, the property further benefits from beautifully maintained south-facing gardens, filled with seasonal colour and mature planting.

The ground floor provides a balanced arrangement of reception space, including a generous 22ft drawing room featuring a bay window to the front and French doors opening onto the rear gardens. Double doors connect to the formal dining room, creating an excellent flow for entertaining, while a rear-facing study or garden room offers a versatile additional reception area for home working or family living.

The spacious kitchen is located to the front of the house and is fitted with a range of white storage units and integrated appliances, with space for a breakfast table for informal dining. A useful utility area with a door to the front and a cloakroom complete the ground floor.

Two staircases rise to the first floor, including an attractive spiral staircase from the sun room, adding character and flexibility to the layout.

Upstairs, there are five well-presented bedrooms, including a generous, dual aspect principal bedroom with built-in storage. A family bathroom and separate shower room serve the accommodation, while the main landing incorporates an open area suitable for use as a study space, library or music area.

Outside, the property is set back behind a garden on a block-paved driveway providing off street parking for several vehicles. The front gardens feature clipped trees, established hedging and colourful herbaceous planting, creating an attractive approach. To the rear, the sunny south-facing gardens are a particular feature, with a patio for al fresco dining, a level lawn and well-stocked border beds planted with wildflowers and flowering perennials. A garden shed provides useful storage, while mature hedgerows and trees to the boundaries offer shade and privacy.
