### The property

Buckstone Bank dates from the late 18th century with later additions and is built of Cotswold stone. Set in the heart of the village, this detached house is approached through wrought iron electric gates which open to a large gravelled courtyard in front of the garaging and annexe. The front door is on the gable end and opens into a spacious entrance hall with cloakroom and main stairs to the first floor. To one side is the study/sitting room with adjacent store room. The drawing room has bay windows on two elevations and an inglenook fireplace, with log burner, and a door into the dining room with inglenook fireplace and secondary stairs. From here a door opens into the recently fitted bespoke kitchen/breakfast room, which is fully equipped with double electric range Everhot oven, breakfast area, arch through to utility area and French doors onto the garden terrace. From the hall, the main staircase rises to a landing where there are three en-suite double bedrooms and a study. Stairs continue to the second floor to bedroom 5, a studio and excellent attic storage.

From an inner landing and approached from the secondary stairs another staircase rises to bedroom 4 with adjacent bathroom.

To the side of the house and attached to the garaging is the annexe, which comprises a kitchen/living room, shower room and conservatory. This is suitable for a dependant relative or home office.

### Outside

Buckstone Bank stands in 7.6 acres of garden and paddocks. To the rear of the house and annexe is an established south facing garden with well planted borders and a wide range of mature trees and shrubs. There is good storage for garden equipment and a workshop. To the west are 6.8 acres of paddocks with a separate access from the main village road. A track leads to the stable block and continues to the versatile modern barn which measures about 2250 sq ft (211 sq m) externally and is suitable for live stock or storage. There are separate water and electricity supplies.

Note: A footpath exists across 2 of the paddocks..
