The property

With an attractive façade featuring stone and decorative brick elevations, Rose Cottage offers vintage charm with a layout providing versatility and relaxed comfort.

The reception hall gives access to a sitting room where the warming ambience of a log-burner can be enjoyed, whilst on the opposite side of the hallway is a spacious living room with exposed beams and seating centred around a fireplace. This reception room has glazed sliding doors which connect to an extended living area comprising a conservatory adjoined by a dining room, both enjoying uninterrupted views across the rear garden. Fitted with modern, white cabinetry, topped with wooden work surfaces, the adjacent kitchen/breakfast room features an island unit with a breakfast bar. Ancillary space is provided by an adjoining utility room which offers a convenient storage area for domestic appliances and, with external access, a perfect place to cast-off and store outdoor wear after a water's edge stroll. The downstairs accommodation is completed by a ground

floor shower room and a separate cloakroom which can be accessed from the outside.

Upstairs, the dual aspect principal bedroom benefits from elevated views over the Nature Reserve. There are three further bedrooms with one having access to an en suite cloakroom and there is also a well-appointed family bathroom on this level. A further stairway leads up to the attic room, which offers flexible-uses.

Outside

Post and chain fencing marks the front boundary with decorative stone and gravel beds containing ornamental grasses. A paved driveway to the side provides parking and leads to the garage, which is adjoined by a workshop and store. The rear garden is tiered to accommodate the slope descending to the harbourside, with stone walls creating a partition. There are areas laid to lawn with features including a pond with timber boardwalk, pebbled edging and aquatic planting; shrubs and raised beds, timber pergolas and specimen trees. Paving adjoins the back of the house and a pathway provides a meander through the garden where far-reaching views of the coastal fringes can be enjoyed.

Location

Rose Cottage enjoys an enviable rural position in the waterside hamlet of Sidlesham Quay Conservation Area, home to the acclaimed Crab & Lobster restaurant and boutique hotel, and with immediate access to miles of coastal walking and the Pagham

Harbour RSPB Reserve, designated a Site of Special Scientific Interest.

Sidlesham has a primary school, garage with shop and village church, and everyday amenities are provided in Selsey, with its lovely swimming beach. Selsey also offers independent shops, medical centre and schools. An Asda superstore is located just 2.7 miles away.
