### The property

Old River Hall has been beautifully modernised by the vendor, including knocking through the kitchen and dining room to make it open plan, full cosmetic redecoration and a new upstairs bathroom. The layout has excellent flow, allowing full access around the house in a circle. The inviting sitting room is an excellent size and features a wood-burning stove and a built-in media wall with shelving, cabinetry and space for a flatscreen TV. The kitchen is attractively presented with navy painted joinery, marble-effect quartz work surfaces and an island which doubles as a breakfast bar, plus a dining space making it a great room for entertaining. Behind the kitchen there is a good-size family room. There is also a utility room with space for laundry machines. Upstairs there are three good-size double bedrooms, all individually appointed with their own character, and a family bathroom with a freestanding bath and a separate shower.

### Outside

Old River Hall is tucked away on a quiet lane, behind a set of electric double gates which open to a spacious brick-paved driveway. Attached to the house is a double garage which provides a wealth of storage. The rear garden faces south and has been landscaped with a large terrace overlooking the mature trees and shrubs which adds colour and interest to the outside space. To the front there is a second terrace positioned to capture the sunlight and a number of raised planters which make up a lovely kitchen garden. The good-size lawn is enclosed by a variety of specimen trees creating a wonderfully private outdoor space and there is a built-in trampoline.
