An exceptionally well-presented three-bedroom maisonette in the heart of South Kensington

Occupying the second and third floors of a grand 19th century Grade II-listed stucco-fronted townhouse, this exceptional maisonette enjoys an enviable position overlooking one of South Kensington's most prestigious garden squares. Tastefully refurbished throughout, the property offers immaculate interiors with a refined, neutral palette and an exceptional standard of finish, complemented by hardwood flooring throughout the principal living areas.

The accommodation is arranged around a bright and welcoming central hallway with excellent built-in storage. The elegant drawing room is centred around a handsome fireplace and flooded with natural light through traditional sash windows, framing delightful treetop views across the garden square and providing a wonderful setting for both everyday living and entertaining.

The kitchen is equally impressive, featuring light painted cabinetry with black metal hardware, complemented by marble worktops and matching upstands. A comprehensive range of integrated appliances, including an oven, induction hob and dishwasher, completes the space.

Across the hallway, the dining room provides an elegant setting for both everyday meals and more formal occasions, while a thoughtfully designed study area is incorporated to create a practical workspace. A well-appointed cloakroom with utility facilities is neatly tucked away, providing space for laundry appliances.

The upper floor provides the bedroom accommodation, led by an impressive principal suite with extensive built-in wardrobes. French doors open onto a private terrace, offering the perfect spot to enjoy a morning coffee. The luxurious en suite bathroom is finished in marble and features twin vanity basins together with a bath and overhead shower. Two further double bedrooms, each with built-in storage, are served by an equally stylish shower room.

The principal drawing room and kitchen enjoy sweeping, elevated views across the beautifully maintained garden square, an exceptional green oasis in the heart of South Kensington. Reserved exclusively for residents, this communal area is landscaped with lawns, mature trees and established planting, providing a charming, leafy sanctuary in one of London's most distinguished neighbourhoods.
