The property

17 Polo Field Drive is a stunning detached family home, offering 2,429 sq ft of light-filled, versatile living space. Designed for both practical family life and seamless entertaining, the property combines high-quality contemporary fittings with elegant décor. On the ground floor, beautiful high quality, exposed wood effect flooring flows throughout, creating a sense of refined cohesion.

The journey begins in a welcoming L-shaped reception hall, where full-height glazing floods the space with natural light. To one side, double doors open into a dual aspect drawing room extending nearly 23ft, anchored by a classic exposed brick fireplace and a wood-burning stove. Opposite, the dedicated study features a bright front-aspect bay window - perfect for a quiet home office.

The heart of the home is the expansive open-plan kitchen, dining, and sitting area. The kitchen is equipped with contemporary cabinetry, a large central island with a breakfast bar, and integrated Siemens

appliances and is complemented by a large utility room, with granite work-surfaces and large storage facilities, fitted with Siemens washing and drying appliances. This flexible space is designed to be configured to your lifestyle, featuring bi-fold doors that blur the line between the interior and the rear terrace.

The generous first floor landing leads to four well-proportioned double bedrooms. The principal suite is a private retreat, complete with built-in storage, a dedicated dressing area, and a luxurious en suite with both a bath and a separate shower. A second bedroom also enjoys an en suite shower room, while the remaining two bedrooms are served by a stylish family bathroom.

Outside

Set behind mature hedging and areas of level lawn and having plenty of kerb appeal, the property is approached through a five-bar gate over a block-paved driveway providing private parking and giving access to a detached part-weatherboarded double garage.

The well-maintained wraparound garden to the rear is laid mainly to level lawn and features a paved seating area at the end of the garden together with a spacious wraparound paved terrace. The whole ideal for entertaining and al fresco dining.
