## A charming semi-detached, period cottage with a beautifully landscaped rear garden

A pretty three-bedroom semi-detached cottage complemented by climbing roses to the front elevations and a mature landscaped rear garden that provides year-round interest.

Inside, the accommodation includes a spacious, dual-aspect sitting and dining room. This room is rich in character, boasting a traditional style fireplace, exposed beam ceiling, and a glazed door leading out to the rear garden, while leaving ample space for a family dining table. The adjoining kitchen/breakfast room is fitted with elegant Shaker-style units, integrated appliances, and a peninsular with integral breakfast bar and wine fridge below. Double glass doors open from the kitchen, inviting the outside in to create a seamless flow into the garden.

Upstairs, the principal bedroom boasts built-in storage, an en suite shower room, and double glass-panelled doors opening to a balcony, alongside two further bedrooms and a family bathroom.

Outside, a driveway provides convenient off-road parking for three cars and leads to a garage that has been cleverly divided into dual zones: storage at the front and a versatile home office at the rear, with bi-fold doors opening out to the lush multi-layered garden. This could be reinstated as a garage if required.

Enclosed by a selection of mature shrubs and trees, ensuring excellent privacy, the garden features a majestic central windmill palm tree, and a slate pathway leads runs down the right hand border, past a tucked-away pond.

The property is situated in a highly desirable location and combines the advantage of country living with the convenience of excellent transport links and easy access to London, the motorway network and Heathrow Airport.
