A superb modern farmhouse, set in over nine acres and occupying a commanding elevated position with breathtaking panoramic views across a scenic valley, together with a one bed cottage and outbuildings.

A timeless haven of rural calm, this stylish, modernised farmhouse blends contemporary design with rustic charm. Perched in a commanding elevated position, the property offers breathtaking panoramic vistas across a lush, scenic valley and is set in over nine acres of rolling countryside with plenty of outbuildings.

Tailored for a life of self-sufficiency, the grounds feature a flourishing horticultural haven of established orchards and productive plots, seamlessly blending into rewilded woodlands to create a rare sanctuary of nature, panoramic views, and absolute tranquillity.

The main house is perfectly positioned to capitalise on its elevated vantage point. Expansive glazing and picture windows frame panoramic views of the surrounding landscape, while a raised sun deck provides a tranquil space to immerse oneself in the serenity of the outlook.

The spacious contemporary kitchen forms the heart of the home, with sleek cabinetry, a range of integrated appliances and bi-folding doors opening onto the terrace, while the adjoining well-proportioned formal dining room provides an excellent space for both everyday meals and entertaining. The substantial sitting room extends to more than 27ft in length and features integrated window seating and extensive glazing, framing views across the surrounding landscape.

On the first floor, the triple aspect principal bedroom includes a walk-in wardrobe. There are two further well-proportioned bedrooms (one with a modern en suite bathroom), and a stylish shower room.

Stable Cottage

Further flexibility is provided by the detached one-bedroom cottage which offers independent accommodation comprising a kitchen/sitting room, a double bedroom and a shower room, making it suitable for guests, extended family or additional home-working space, as desired.
