### The property

Treetops is a stylishly finished new home offering over 2200 sq ft of modern, light filled accommodation configured to provide an ideal family and entertaining space with attractive neutral décor throughout.

The accommodation flows from a welcoming limestone-floored entrance hall to principal rooms with a central staircase to the first floor. Double doors open an impressive 21ft drawing room fitted with a bespoke media unit with LED lighting. The rear aspect kitchen/diner and family room is the focal point of the home and features a contemporary range of painted wooden units with quartz work surfaces, a central island with five-burner hob and dual ovens. Bi-fold doors lead outside seamlessly linking the house and garden and offering views of open fields beyond. The remainder of the ground floor provides a dual aspect study, utility/boot room with ample fitted storage and a generously sized cloakroom.

The first floor comprises four comfortable bedrooms centred around a light and open landing; high ceilings feature across the entirety of the upstairs space. The principal bedroom is en suite and along with the family bathroom is finished with Lusso Stone fittings and marble tiles. There are three further double bedrooms, two of which have built in storage.

### Outside

The property is approached via smart wooden gates across a gravel driveway, which provides parking for several vehicles. There is side access to the house and rear with EV charging point. The rear garden is mainly laid to lawn, with a landscaped porcelain patio and enclosed by post and rail fencing. The garden faces south-west and enjoys wonderful views of open fields to the rear.
