The property

Speen House is an attractive modern double fronted family home constructed of red brick, sensitively extended by the current owners to provide more than 2,300 sq ft of light-filled flexible accommodation arranged over two floors. Configured to provide an ideal family and entertaining space featuring a wealth of wooden flooring across the ground floor and maximising the stunning views over neighbouring countryside, the accommodation flows from a welcoming reception hall with useful storage and cloakroom. It comprises a large triple aspect drawing room with feature exposed brick open fireplace and French doors to the rear terrace and two well-proportioned study rooms, one with a feature angled wall incorporating a door to the integral double garage. The ground floor accommodation is completed by an inter-connecting suite of rooms providing a kitchen with a range of wall and base units including a central island, breakfast bar, modern integrated appliances, and a door to the side aspect and a useful fitted utility room. The kitchen opens into a generous dining room which in turn opens into a

spacious David Salisbury orangery with a large vaulted sky lantern and full-height glazing incorporating doors to the garden and to the rear terrace.

The generous first floor landing with useful storage gives access to a spacious L-shaped triple aspect principal bedroom with built-in storage, fitted dressing room and en suite bathroom. Further is a guest bedroom suite with double bedroom with fitted storage and dedicated neighbouring shower room, two further double bedrooms and a family bathroom.

Outside

Located on an attractive tree-lined road and having plenty of kerb appeal, the property is approached over a gravelled driveway providing private parking and giving access to the integral double garage, the driveway flanked by an area of level lawn bordered by mature flowerbeds and with a pedestrian gate to the side aspect and the kitchen door. The well-maintained garden to the rear is laid mainly to lawn bordered by well-stocked flower and shrub beds and mature hedging and features numerous seating areas, a vegetable garden with raised beds and an extensive raised paved terrace accessible from the drawing room and orangery, ideal for entertaining and al fresco dining.
