The property

Rose Tree Cottage is a fine semi-detached period property that started life as one of the estate's stables and now offers light and airy accommodation with impeccable styling, set in an enviable position on the banks of the River Thames. The property is beautifully presented with neutral décor and contemporary fittings, creating thoroughly attractive living space.

The ground floor features an elegant sitting room with French doors opening onto the garden and a fireplace fitted with a woodburning stove. Adjoining the sitting room in a semi open-plan layout is the family room and dining room, with a large bay window overlooking the rear garden and space for both a seating area and a family dining table. Double doors open to the kitchen which is fitted with a range of modern units to base and wall level, and integrated appliances. A utility room and

cloakroom complete the accommodation on this level.

A staircase with glass balustrading rises to the first floor where there are three double bedrooms including a generous principal bedroom with extensive fitted storage. One of the bedrooms is en suite, and there is also a wet room.

Outside

Set within about 2 acres of communal riverside gardens, the property also benefits from its own private garden. The enclosed garden is principally laid to lawn bordered by paved pathways and terracing, with well-stocked border flowerbeds and a variety of shrubs and trees. Undoubtedly a key feature is the extensive covered kitchen area that provides ideal space for al fresco dining and entertaining.

Access for vehicles is via Sutherland Grange's double wrought-iron gates opening onto a driveway leading to a parking area and the property's garage in a detached block.

Location

The historic market town of Windsor is one of the UK's most prestigious locations with its castle, pretty streets, beautiful parks and proximity to London. Windsor boasts a fine variety of shopping and supermarkets, while some of the country's finest restaurants are within easy reach. The town is also well connected, with the M4 just two miles away, and Windsor's two train stations providing regular services to London Paddington and Waterloo.

Leisure facilities are superb and plentiful, with world-class golf courses on Windsor's doorstep, spectacular parks, and the river Thames for boating and rowing.

Windsor is also fortunate to be in close proximity to some of the country's finest state and public schools, including Upton House School, The King's House School and the world-famous Eton College
