

THE FARMHOUSE COLLECTION

The Charndon Estate

The Charndon Estate

Three striking residences within a converted farmhouse dating back to the 16th Century.

Set amid the tranquil beauty of Marsh Gibbon, The Charndon Estate is an exclusive, gated collection of just twelve exceptional homes — each a testament to Buckinghamshire’s enduring rural character and timeless craftsmanship.

Blending historic architecture with contemporary refinement, the development has been thoughtfully conceived to honour its agricultural heritage while offering the very best of modern living. Every home is individual in character yet united by a shared commitment to quality — from exposed beams and natural stone walls to open-plan living spaces, large windows that fill each room with light and original steels. The Agri-lux styling of the barns contrasts beautifully with the period charm of the farmhouse, creating a harmonious balance of heritage and sophistication.

For families and downsizers alike, The Charndon Estate offers a rare opportunity: rural tranquillity and craftsmanship of the highest order, all within easy reach of London, Oxford and the Cotswolds. A place where history, design and lifestyle come together — beautifully.

Location

Nestled within the rolling Buckinghamshire countryside, Marsh Gibbon is a quintessential English village that offers an enviable balance of tranquillity, character, and convenience. With its historic stone cottages, open green spaces and strong sense of community, it is the perfect setting for both families seeking a nurturing environment and those looking to downsize without compromise.

The village itself provides a host of everyday essentials — a friendly local shop and post office, an inviting country pub, and a beautiful 12th-century church that sits at its heart. Meandering footpaths and bridleways invite you to explore the surrounding countryside, while nearby Bicester and Buckingham offer a broader choice of independent boutiques, cafés and supermarkets.

Transport connections are superb. Bicester North and Bicester Village stations provide fast, direct services to London Marylebone in under an hour, while the M40 and A41 place Oxford, Aylesbury and Milton Keynes all within easy reach — ideal for both commuters and visiting family.

Education is another highlight, with the well-regarded Marsh Gibbon Church of England School in the village and a selection of excellent state and independent schools nearby.

Peaceful yet perfectly connected, Marsh Gibbon offers a lifestyle of comfort and convenience — a place where you can enjoy the calm of countryside living without ever feeling remote. Whether you’re starting a new chapter or seeking space to grow, it’s a location designed to make you feel at home.
