### The property

Set within 5 acres of lovely gardens and grounds, Cuckoo Cottage is a handsome character property, boasting a wealth of period features and spacious accommodation arranged over two floors. The property is arranged to provide five bedrooms and five reception rooms, complemented by a self-contained studio-style annexe above the garage.

The main reception room is the 29ft drawing room, which acts as a welcoming entrance hall and features an impressive fireplace fitted with a wood burning stove. Additional ground floor reception rooms include the dual aspect formal dining room, the study and the comfortable sitting room, also with fireplace and woodburning stove. Double doors lead from the sitting room to the sunny garden room, which has a vaulted ceiling, wooden flooring and bi-fold doors opening onto the garden. Additionally, the ground floor has a well-equipped kitchen with modern styling, including sleek white fitted units, a central island with an integral breakfast bar, and an original cast-iron oven and stove.

The turned staircase leads to the first floor, where there are five well-presented bedrooms. These include the generous principal bedroom with its dressing room, as well as two other bedrooms with built-in storage. The first floor also includes a family bathroom and a separate shower room.

There is also ancillary accommodation above the detached garage, in the form of a studio-style reception room/bedroom with double doors opening onto a balcony. There is also a shower room and access to eaves storage. This space is useful for hosting guests or family members.

## Outside

At the entrance to the property, electric gates open onto the long driveway, which leads through the beautiful gardens to the garage at the side of the house. There is plenty of parking in front of the garage, as well as further parking and storage in the garage itself, which also houses a utility room. Additional outbuildings include a second garage, large L-shaped 2-storey workshop, and further stable block.

The gardens surrounding the house feature stunning rolling lawns and meadows, dotted with mature trees, established shrubs and well-stocked border beds. There is also an extensive patio for al fresco dining, a peaceful, natural pond, and a heated outdoor swimming pool with its own sun terrace.

N.B. There is independent access to the further garaging and workshops, from Gibbons Lane.
