The property

Beautifully appointed throughout, the main house is complemented by a separate detached coach house and a host of lifestyle amenities designed for both family living and entertaining.

The main house extends to approximately 14,215 sq ft and provides seven/eight bedrooms, including five en-suite bathrooms. The magnificent principal suite offers a superior level of luxury with two bathrooms and two dressing rooms, together with a private study.

The ground floor is arranged around an impressive reception hall with a central staircase, leading to a formal double reception room, an elegant dining room, and a spectacular kitchen/family room with bifold doors opening seamlessly to the gardens.

Unrivalled leisure facilities

An indoor swimming pool complex, with bifold doors along one side, is complemented by luxurious changing facilities. The basement level is dedicated to entertainment and relaxation, featuring a full-size golf simulator, a cinema/media area, and a striking circular bar, the perfect setting for entertaining on any scale. There is also a large garage with space for four cars and electric charging points.

The gardens are a true highlight. Designed and maintained to the highest standard, they feature sweeping lawns, beautifully planted herbaceous borders, framed by beautiful pleached trees, and an expansive terrace for outdoor dining.
