The Property
Thursdays is an impressive and stylish, contemporary home combining vertical timber cladding with attractive brick elevations beneath a tiled roof, with rooftop solar panels enhancing the home's energy efficiency. The property provides more than 3,000 sq ft of beautifully designed, versatile accommodation, with clean architectural lines, high-quality finishes, and an abundance of natural light throughout.

The welcoming reception hall features a staircase illuminated by a bespoke multi-pendant glass globe light fitting. From here, the ground floor extends to two versatile reception rooms: a generous sitting room and an adjoining study, both with full-height sliding doors opening onto the garden. At the heart of the home is the impressive open-plan kitchen and dining room, where wide sliding doors provide direct access to the rear terrace. The kitchen is fitted with bespoke Shaker-style cabinetry, and a central island with breakfast bar seating. A utility room and guest cloakroom complete the ground floor.

The first floor is centred around the principal bedroom suite, which features a beautifully appointed en suite bathroom with twin basins set on bespoke vanity unit, elegant tiling and fittings. There are four further well-proportioned bedrooms, one of which benefits from an en suite shower room, while the remaining bedrooms are served by a stylish family bathroom with separate shower.

The property is approached via a sweeping gravel driveway providing ample parking for several vehicles. To the rear, a generous paved terrace extends across the width of the house, creating an ideal space for outdoor dining and entertaining. Beyond, a gently sloping lawn is bordered by mature trees, providing a high degree of privacy and an attractive backdrop.
