## The property

The very well presented accommodation includes a welcoming entrance hall with parquet flooring flowing throughout much of the ground floor. The versatile layout includes a downstairs bedroom with en suite bathroom, and the configuration would lend itself very well to creating a separate annex with its own front door, if desired. The kitchen/breakfast room has been recently refitted with a bespoke Ashford kitchen, including a full range of Neff domestic appliances, quality quartz worktops and a Quooker hot water tap. Next to the kitchen is a front lobby/boot room and a particularly spacious and well equipped utility room.

Four reception rooms include a well proportion drawing room with a Minster open grate fireplace, french doors to the garden and glazed double doors leading to the dining room. The study is well fitted with Neville Johnson units, and there is also a family room/gym next to the ground floor bedroom.

On the first floor, there are four further bedrooms, the principal of which has an en suite bathroom with corner Whirlpool bath and separate shower cubicle. There is also a shower room and a separate WC with wash basin.

## Outside

Yew Tree House shares an entrance from the road with the house next door, leading to its private, pillared entrance gates, with remote electric opening. The expansive front garden features a lawned area with a host of mature trees providing much seclusion. The driveway provides ample parking space and access to the double garage.

The rear garden is also very well screened, laid mainly to lawn with mature trees shrubs and bushes. A substantial and much used, heated swimming pool measures 10 m x 5 m with a roman end and a diving board. There's a sizable pool house with changing room, sauna and shower, and two large timber sheds.
