The property

New Lodge is a handsome detached house with beautifully-presented accommodation arranged across two light-filled floors. The property features red brick and cobbled elevations outside, while inside, the living space has striking contemporary décor and fittings of the very highest quality.

The carpeted reception hall provides a grand welcome, with its impressive solid oak turned staircase leading to the galleried landing above. Double doors lead to the 25ft sitting room, with its fireplace, two sash windows and French doors opening onto the rear garden and welcoming plenty of natural light. Adjoining the sitting room, the spacious family room provides further space in which to relax, with its own front access and door opening onto the rear garden. The ground floor also has a useful solid oak study with granite worktop, built-in desk and storage. The heart of the home is the beautiful open-plan sitting area, dining area and kitchen. This social living and entertaining space has a ceiling lantern skylight overhead, French doors and bi-folds opening onto the

garden, tiled flooring and recessed LED lighting. There is a seating area and space for a family dining table, while the kitchen is fitted with shaker-style units, a central island, a breakfast bar and Miele integrated appliances. Additional storage and space for home appliances can be found in the utility room and boot room.

Upstairs, the galleried landing leads to four spacious, well-presented double bedrooms. The principal bedroom benefits from a dual aspect en-suite shower room with walk-in shower and floor-to-ceiling tiling. All five bedrooms are en-suite and benefit from fitted wardrobes.

Bedroom five, with Juliet balcony and un-interrupted views across the rear garden and beyond, is accessed via its own private staircase from the family room. This living space offers versatile and flexible family accommodation for multi-generational living or separate annexe.

Outside

At the front of the property, gates open onto the gravel driveway, where there is plenty of parking space and access to the detached double garage. A further paved parking area is in front of the house, with the front garden featuring an area of lawn and mature border hedgerows for a sense of peace and privacy. The wonderful garden to the rear is west-facing and welcomes plenty of sunlight throughout the afternoon and into the summer evenings. There is a patio across the back of the house, with a level lawn, dotted with mature trees and bordered by colourful flowerbeds, plus a shed and an outbuilding with a store and a garden room. Towards the end of the garden, the timber deck has a 'breeze house' – a safari-style gazebo with built-in banquette seating, which is ideal for al fresco dining. Post and rail fencing encloses the gardens at the end, with fields of grazing horses beyond.
